

UH Rainbow Babies & Children's Orthopedic Injury Clinics

The Division of Pediatric Orthopedics at UH Rainbow Babies & Children's operates an Orthopedic Injury Clinic offering same-day care for babies, children, teens and young adults ages 0 – 17 years with orthopedic injuries ranging from fractures or sprains to joint pain.

Where: **West side:** UH Westlake Health Center, 960 Clague Road, Suite 3110, Westlake

East side: UH Ahuja Medical Center, 1000 Auburn Drive, Kathy Risman Pavilion,
Suite 210, Beachwood

When: **Monday – Friday from 1 – 4 p.m.**

How: Call **216-290-0335** for an appointment. Walk-ins are also welcome during clinic hours.

Advantages: Our pediatric orthopedic specialists have extensive experience in caring for a child's growing bones and joints. The clinic also can provide X-rays of the injury, determine if a cast is needed and schedule follow-up visits all in one convenient appointment. The cost is also lower than a typical emergency room visit.

To refer a patient to the UH Rainbow Babies & Children's Orthopedic Injury Clinic or for more information, physician offices can call **216-465-7545**. Patients and families who would like to schedule an appointment outside of injury clinic hours, can call **216-290-0335**.
