Dear Participants, Volunteers, Parents and Supporters:

The Cleveland Muny Football League provided the opportunity for over 2,000 children to participate during the 2026 season. We are proud of all of them, as they are all winners.

Everyone involved is deserving of our recognition for their unwavering dedication, dependability and determination in teaching the concepts of working together and maintaining team spirit.

Athletic competition is important in the development of physical fitness. Many of our participants have displayed a special quality that all of us cheered during the 2026 season. Not only has their ability shone through, but also their positive attitude and sportsmanlike behavior.

We would like to give our sincere appreciation to the many volunteers who dedicated their time. We also would like to give a special thanks to the many volunteers that came forward for the good of the children that we serve.

Congratulations to all of our participants on making it to their league championship game.

May you experience prosperity, good health and continued success in your future endeavors!
